

Visigothic king EURIC died
and was succeeded by his young son
Alaric II,

The Franks under Clovis fell upon
SYAGRIUS, Patrician of Central Gaul.
In the next 4 or 5 yrs Clovis conquered
most of northern Gaul and proceeded to
consolidate his personal position by the
wholesale suppression of the Merovingian

Many of the other plans.

He named GUN DOG AD, 'mice, who;
curiously happened to be not an Asian
but an otherder character as that in
476 the Waller, Cairo & his people
now happened to be otherder with.
